# eurocheval 2027: Advance ticket sales and registration for the international trail ride begin on St Leonhard's Day

- Secure your tickets for eurocheval 2027 via online advance sales from 6 November
- New exhibition format spanning three days, from 9 to 11 July 2027
- Registration for the international trail ride begins

Offenburg, 4 November 2026
The date could hardly be more fitting: **on 6 November, St Leonard's Day, advance ticket sales for eurocheval 2027 (9 to 11 July 2027) will begin.** The feast day of Saint Leonard of Limoges, the patron saint of horses, is traditionally celebrated in many places with horse blessings and festive equestrian processions. It symbolises the special bond between humans and horses – a passion that has also shaped eurocheval for five decades.
With the start of advance ticket sales, horse enthusiasts can already look forward to southern Germany's long-established trade fair dedicated to horse breeding, horse husbandry and equestrian sports. Whether you're an equestrian enthusiast, a breeder, a horse owner or simply a horse lover: eurocheval brings together people united by their love for their equine companions.

**A new look, a new concept, the same passion as ever**
Following its 50th anniversary, eurocheval 2027 is unveiling a fresh brand identity and an expanded exhibition concept. For the first time, the exhibition will take place over three consecutive days, from Friday to Sunday. On Friday and Saturday, the event will be open from 9 am to 6 pm, and on Sunday from 9 am to 5 pm.

**Save significantly on your visit to the trade fair with online tickets**
With optimised admission prices and great value online advance booking offers, Offenburg Trade Fair is making a visit to eurocheval even more attractive for horse enthusiasts. Those who buy their tickets online in advance can make significant savings compared to buying at the ticket office on the day. For example, an adult day ticket costs 10 euros when bought online in advance, compared to 20 euros at the ticket office, whilst a family ticket costs just 26 euros instead of 52 euros. Attractive ticket offers are also available for children, students, pensioners and families.

**Advance sales begin on 6 November 2026, initially exclusively for admission tickets to the exhibition grounds. Tickets for the GALA shows will be available at a later date.**

**International Trail Ride: Registration now open**

Alongside the start of advance ticket sales, registration for the international trail ride to Offenburg also opens on 6 November. This long-standing event brings together trail riders and carriage drivers from Germany and abroad, making even the journey to eurocheval a special experience.

Participants choose their own route and distance, travelling from different directions to the Offenburg Exhibition Centre. The focus is not on sporting competition, but on experiencing nature, camaraderie and a passion for horses. To qualify as an official trail ride, participants must cover a distance equivalent to at least one day's stage.

The international trail ride has been an integral part of eurocheval for many years and brings horse enthusiasts together across national borders. As places are limited, early registration is recommended.

**The registration form, the tender documents and all information regarding the conditions of participation will be available from 6 November 2026 at www.eurocheval.de/sternritt.**
